## Welcome to the 2019 IAA Colloquium in Cape Town!

A joint colloquium of various sections of the International Actuarial Association will be held in Cape Town, South Africa, from 2 April to 5 April 2019. Organised and hosted by the Actuarial Society of South Africa, the event will be combined with the annual seminars of the relevant practice areas in South Africa and held at the Cape Town International Conference Centre, Cape Town.

The colloquium is a joint venture with four IAA Sections, namely, International Association of Consulting Actuaries (IACA), Pension Benefits and Social Security Section (PBSS), Health Section (IAAHS) and Life Section (IAALS).

The theme of the colloquium is *The Modern Actuary: Challenge, Influence, Lead*. The programme will include plenary sessions with formal addresses by invited keynote speakers, topical presentations by subject-matter experts, and parallel sessions at which submitted papers will be presented. On each of the days the local practice area will host its annual seminar. Delegates can decide to attend the one-day seminar only, or the whole colloquium, which would further include 2 days of presentations and breakaways. All days are expected to offer a blend of local and international flavour. Social

events are being arranged to supplement the technical experience and to optimise networking opportunities.
