

Share your knowledge on actuvview

actuvview regularly publishes digital actuarial content for the worldwide community. Next to live broadcasts and recorded presentations from congresses and other events, the program also includes recorded sessions produced by individual experts. Share your knowledge as speaker on actuvview, too!

With a constantly growing number of users from all actuarial disciplines, the expert community on actuvview is diverse. This is reflected by the available content, which ranges from live broadcasts of large international colloquia and congresses over national events up to digital-only recorded sessions provided by experts.

We would like to invite you to share your knowledge on actuvview, too! Speakers profit from several benefits, such as:

- Promotion in actuvview newsletter with over 3,500 recipients and on actuvview website
- Large audience of over 4,100 actuvview users
- Free access to the full content on actuvview

Further information

If you are interested to contribute a recorded session to actuvview please send a short note with

- the title,
- a brief description of your presentation (abstract), and
- some personal information about you and your affiliation

to contact@actuvview.com.

More information can also be found on the [actuvview website](http://www.actuvview.com) or in the attached guidelines.
